

The Wonthaggi Club

Celebrating 100 Years

June/July 2011 CLUB NEWS

PRESIDENT'S REPORT

Hi Members,
Wow what a great couple of months we have had celebrating our 100 years. Starting with the Stewards shout on Wednesday the 9th, it was great to catch up with former staff members, and see that some of them had not lost any of their skills behind the bar. On the Friday night Gus Dal Lago arranged the traditional supper (with potted meat) and we had a huge raffle, hope you all won something. Saturday night saw the centenary ball, once again a great opportunity to catch up with current and former members, with a large crowd enjoying the music provided by Les' dad and his band the Blue Notes. Executive chef Michael Donnelly and his staff presented a great meal with Rebecca and her staff providing professional service. A big thank you to all of our staff for all their hard work over our centenary celebration week. Then on Sunday we launched our history book, thanks Tuddy. I would like to take this opportunity to thank the members of our history sub committee and Glenda Milligan for her work on the committee and her work on the book. What a huge week, with more to come. Looking forward to the next 100 years. That was February, what a big month.

I would like to thank all of our effective members who attended and contributed to our special general meeting in relation to our proposed joint venture with the Wonthaggi Golf Club, this was an important step in planning for the future of both clubs. At present our Club is continuing to support the Golf club and still exploring ways to help both clubs move towards the future.

It was great to see the Country Cup pool

played in our club over the last weekend of May, congratulations to all the winners, and a big thank you to all of the organisers of the event.

Alan Bolding
President
